2011 President's Cup Trial
January 9, 2011
Red River M/C Park, Bulcher, TX
Trialsmaster: Tom Batchelor

Due to the weather; rain, sleet, snow, and wind chill, the majority of the riders in the Novice, Amateur, and Senior PM classes, decided not to ride. Additional sections, more suitable for the conditions, were constructed and the Intermediate, Expert, and Master classes negotiated 6 sections 3 times for the President's Cup Trial.
