Cluck and Chark happily bring you the 2<sup>nd</sup> annual Tish Turkey Trial (T<sup>3</sup>). Some sections are completely new, some you have come to know and love, but you'll be seeing them from a whole new angle! We especially want to mention that this year's afternoon sections are WAAAAYYYYYY easier than last year... heck, even Big Chuck cleaned a couple of 'em and he wasn't even bleeding... much. We'll have a few new t-shirts for sale commemorating the event, and, as always, all of your friends will be there cussing and discussing Cluck and Chark's sections. We'll have plenty of cool, crisp air imported from Kansas, and soft, tacky loam from the Arbuckle Mountains mixed with generous helpings of those beautiful decomposed granite boulders, all just waiting for you! So don't miss it, turkey!

**Directions:** From the DFW area, get yourself to Whitesboro, TX from either I-35 (through Gainesville), or Hwy 75 (through Sherman). Take Hwy. 377 north, across Lake Texoma, through Madill, OK (Hwy. 377, State 99) and into the southern outskirts of Tishomingo, OK. Watch for state road 22 veering off to the left (west)... the state trooper should be having breakfast at the diner on the left... go west about 1.5 miles and look on the right for a rock wall that says "Lake Estates". Turn north on Lake Estates Rd., left at the dumpsters. Follow the ribbons about 2.3 miles down the gravel road, the parking is on the right at a private residence.

**Hotel:** Western Inn - Tishomingo: (580) 371-2358 (about \$33 for a single)

More directions...from the Plano / McKinney area

**North on US Hwy. 75 (Set your trip odometer to zero as you cross Hwy. 380 in McKinney)**

Approx. time to riding area from Hwy 380 crossing is approx 1.5 hrs w/o any stops

On the north side of Durant, OK at around 63 miles watch for the exit "**North via Hwy. 48 / Hwy. 78 – Durant**" **Do not take the "Washington Ave." exit.**

Exit at "**North via Hwy. 48 / 78 – Durant**" and go back under the highway (left/west)

**Reset your trip odometer**

At about 2.5 miles make a left onto **North 78** toward Madill, OK

**Reset trip odometer**

At 7 miles DO NOT TURN LEFT on 199 to Madill – keep going straight

In the town of Nida, the road splits into Hwy. 22 west (goes straight) and Hwy. 78 (veers right). NOTE: either route works, they split in Nida and come back together just outside of Tishomingo. I like to go straight on Hwy. 22 – **watch for deer**, and watch for two sharp right-hand turns.

Go through the town of Tishomingo and veer right onto Hwy. 22 west toward Ardmore

**Reset trip odometer**

Cross "Rock Creek" start slowing down and looking right.

At 1.7 miles turn right between the rock entry signs that say, "Lake Estates" onto E. Lake Estates Road. Road turns to the right.

Turn left onto the dirt road "Rock Creek Rd." at the Dead End sign and the trash bins

**Reset trip odometer at the start of the dirt road**

Veer left at the "Y" mileage reading approx 1.3 miles

At mileage 2.3 the property will be on the right – look for signs

NOTE: There will be no parking or camping on the lawn this time. There is a new parking / camping area just north of the old camping area / lawn: Big Chuck's Flaming Acres.

Parking area Lat / Lon: [N34.27039](#) [W96.73675](#)

Also, we will not have our monthly scheduled meeting for December; instead we are opting for the Annual NTTA Christmas Party in its place. Time, Date and Location to be announced as that information becomes available.

### **UPCOMING NTTA EVENT:**

The annual President's and Novice Cup championships are scheduled for December 3 & 4, 2005. Tom Batchelor will host the annual events to "crown" the regions best amateur and master level riders for 2005. This year's President and Novice Cup will be held at the 2<sup>nd</sup> gate location at the Red River Motorcycle Park. Last year Tom and Vicki provided an excellent supper after Saturday's event where we got to sit down by the fire and have an awesome Cowboy Stew dinner, complete with salad, dessert, and cold beverage so make you plans to attend. This is always a premier event and offers entertainment for both riders and spectators. After the sections have closed down the event is finished up each day with three exhibition sections to crown the top Amateur and Master Rider.

### **EDITORS SOAPBOX**

Most of the new 2006 model bikes are in so make a date to visit our two local dealers to take a test ride and ponder the thought of a brand new bike under your Christmas tree.

**Important Note About CTTA:** It is the intent of the CTTA to host trials events back at Emma Long City Park. If so, then they will be AMA Sanctioned Events since the City of Austin requires them to secure insurance in order to hold competitions there. For those of you who are new to our sport, Emma Long City Park is a beautiful place that is centrally located for a trials competition along the shores of Lake Austin. So, assuming this transpires as planned, AMA membership will be required of all competitors. If you're not already a member... ### **RESULTS FOR OCTOBER 1<sup>ST</sup> & 2<sup>ND</sup> NTTA EVENT**

The October CENTRAL REGIONAL TRIALS SERIES EL FAMOSO Lone Star Two-day Rounds 3 & 4 was held at Red River Motorcycle Park. Those who were fortunate to camp Friday night were entertained by a lighting show, thunder and some rain throughout most of the night. The weather provided for an interesting weekend. For those who elected to stay in Downtown Muenster, they had a similar experience with the addition of no electricity in most of the town. On Saturday morning, shortly after the morning riders took off the rain returned and continued to rain throughout the morning event. The afternoon class was spared rain, but had some challenging sections to look forward to.

Well, Sunday turned out to be a beautiful day with temperatures in the 70's and a little humid and clear sky. The best part was no rain. The rain from the day before really provided excellent traction for Sunday's event, but before the day was over it was a little warm and humid. There were a variety of sections for Sunday's event that featured lots of rocks, tight turns, up hills and down hills. Both morning and afternoon rode three loops with eight sections with plenty of spectators who followed many of Sunday's riders. The loop on Sunday was well marked at every turn along with a short loop which had everyone finished up and on the road early. I wanted to thank Ramon for his help along with additional members for there assistance in ensuring that we had a great competition on Sunday. A special thanks goes out to those who had to judge both days.
