## **WTC USGP WORLD ROUND**

My name is Marc Redman and I am chairman of the promotions and marketing committee for the USMTA and working with Dan Brown, TTC and Others to get the word out about this years World Round and NATC rounds 5-6-7 in TN. I am contacting your club to enlist help to inform those within your club about the 06 WTC US Grand Prix at the TTC. Anything you and the other NTTA leaders can do to encourage the trials community to participate and/or help us get the word out would be appreciated.

The 06 WTC USGP website is [www.trialsusgp.com](http://www.trialsusgp.com) and it has some cool pictures along with videos. Check it out if you haven't seen it. There are nice event flyers available for print out at the following link:

<http://www.trialsusgp.com/Resources/resources.cfm> and there are also easy to use and cool e-vites where trials enthusiasts can help us get the word out by email <http://www.trialsusgp.com/eInvites/e-vites.cfm>. Tickets and TTC campsite reservations are available online. The all event pass is \$40 and the TTC campground is 2/3 full so those who want to camp need to get their reservation in quickly. I realize it is a long trip and many within your club will not be able to come. But they can help us get the word out about the website and the event via email etc.

Thanks and if you have any questions or suggestions, please let me know. Marc Redman

## TEXAS STATE TRIALS NEWS

### **30<sup>th</sup> Anniversary 2006 Texas State Series of Observed Trials**

This year's State Series began on February 11-12 with a return to Austin at City Park hosted by CTTA. Please take time to read the following information as there are a number of changes to this year's format.

This year's Series is a best 5 of 9 round Series for Cadet, Rookie, Vintage, and Women's Classes and a best 8 of 9 for Novice through Master. This year, the State Series will award State Championship points to non-Texas Residents. This is a one year probationary decision and will be re-evaluated for the 2007 Series. The "hand off handlebar" ruling has been altered. The rider may now remove a hand from the handlebar from a stationary position, while footing, as long as the rider does not reposition the motorcycle with the "off hand".

These changes are for the duration of the 2006 Texas State Series. Each host club must decide, individually, to adopt these changes for non-Series events.
