## **Observed Trials Motorcycle Event DECEMBER 2 & 3, 2006 TISHOMINGO, OK**

The December 2 & 3, 2006 N.T.T.A. trials event will be a two day school hosted by none other than six time National Champion Ryan Young! The location will be the Rock Creek riding area near Tishomingo Oklahoma!

All area riders are welcomed to attend! In an effort to accommodate all and achieve maximum benefit for riders, the event will be split into a BASICS class on Saturday for all and an ADVANCED class on Sunday aimed at the INT, Sr. EXP and EXP riders.

Each days class is encouraged to observe and assist the other so that Nothing is Missed! There will be a limit of 12 riders per class (24 total) as Ryan likes to be able to spend quality time with the students, so these classes are expected to fill quickly!

We are also planning a Saturday evening informal dinner with Ryan (optional/Dutch) AND there will be a short Trial late Sunday after the school to try out your new skills (also optional/\$10.00 entry fee for participants, \$15.00 others) so we can thoroughly wear Ryan out before we send him home!

The cost for the weekend will be a \$80.00+ options per rider if BOTH classes fill as expected. This includes land use fees! All entries will be reserved on a first call basis and payments should be made by the end of October.

Contact Mark Cope, [copemech@verizon.net](mailto:copemech@verizon.net) or 469-233-7112(cell) to reserve your spot early (now!) and look forward to a great time!

This year's "Scot Trial" format was well received. I never smelled so many "hot" Trials motorcycles. Everyone who participated now has a clean exhaust! I believe that almost everyone had a GREAT time! The turnout was down from past Hot Dog Trials, however there were many contributing factors. A summer Series event in the Austin area, and the "no tax" shopping for back to school, but mainly the HEAT! 104 degree temperature kept a lot of riders at home on the couch! We'll do it again next year!
