National Work Schedule and Comments

The National course is almost completely established, absent three sections as of the February 20th weekend. We will begin section testing in the coming weeks along with grooming the loop and creating areas for bike parking at the section areas. We will also need to establish the spectator loop along with several practice areas. The key work elements remaining are outlined below, and we still need volunteers to assist wherever and whenever possible. As listed, we will be working every weekend between now and the event.

Bob Duval has volunteered to coordinate the judges and scoring clerks for the events. He has been contacted by many of you and we sincerely appreciate the volunteers. Over the next several weeks, Bob will be generating the judges list on a per day basis, and if you have a preference for scoring for both or either day, please let him know as soon as possible. The judging is the MOST important aspect of the entire weekend, without adequate and knowledgeable judges, the events can not be successful. So we thank you ahead of time and sincerely appreciate your work. Call Bob at 972-965-9845

We have 4 full weekends, absent the NTTA state series event and the Easter break.

February 26 and 27 – Begin spot flagging and line testing; loop clearing and marking is also necessary.

March 5 and 6 – NTTA event at Red River.

March 12 and 13 – One month to go. Continue with section testing and marking loop to and from pit area.

March 19 and 20 – Section flagging, determine pits/scoring area layout, determine spectator loop flow and loop marking.

March 26 and 27 – Easter weekend. Work as needed Saturday, none scheduled for Sunday.

April 2 and 3 – Final BIG PUSH. Sections fully taped and marked, loop cleared and ready, spectator loop marked and pits generally ready for roll in. The Red River Park will be closed the weekend before our National, this will allow only Trials riders access for final work and section tuning the weekend before. The park is closed since the SuperCross is in Dallas that weekend.

Contact Ray Roblin at 972-523-0487 or Ramon Aguirre @ 214-801-3294 if you need information or have issues to discuss. You can also email me at correr@verizon.net . If you plan on coming out to help on the national, let me know so I can have assignments ready so we do not waste any valuable time.

With great sadness we report that Kelly Batchelor Garza, daughter of Tom and Vicky Batchelor passed away to heaven on February 8th. For those of us who knew Kelly personally she was a beautiful young woman with the strength of a prize fighter, a heart of gold and the caring hands of a nurse. She was remembered by her family and friends at services in Houston where she lived with her husband and at the family's home church in Waxahachie on Saturday the 12th. Please remember Tom, Vicky and Kelly's sisters Amy and Holly in your prayers. – Ray Roblin

- Trade??? 1986 Yamaha SRX600, super single, SRX6, project bike, this bike was stripped and raced, I have ridden it and it shifts through all the gears fine but needs the carbs rebuilt. It is not currently ride-able. It would be a great streetfighter project. It's rare and unique. I'm looking for a beginner trials type trail bike a TLR, TL or TY. It doesn't need to be perfect. The SRX is located in Sanger, TX. If interested or you want to make an offer call Robert 479-366-8687 cell.
